Excellence in the Central Valley!

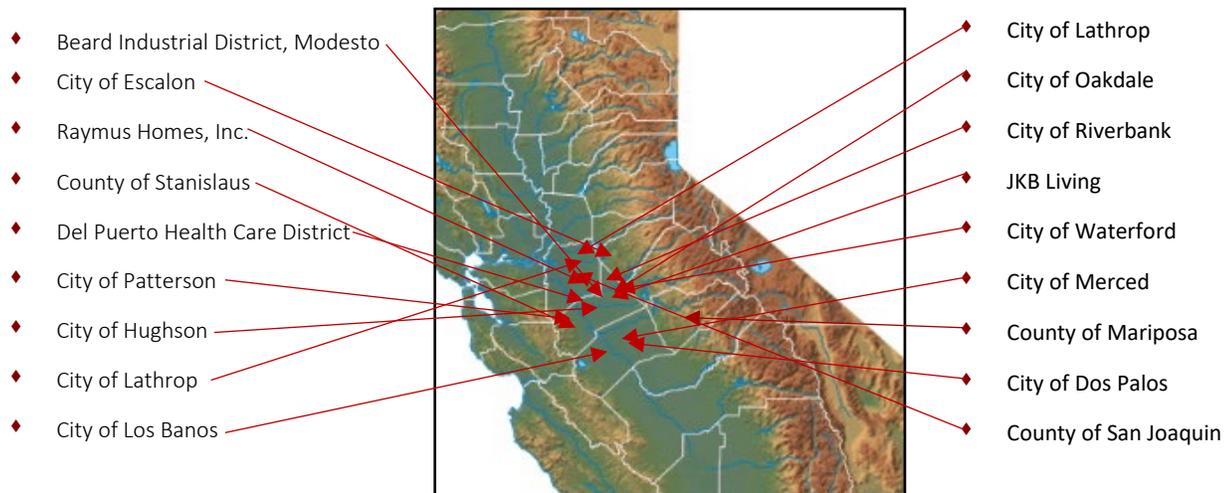

ABOUT US

J. B. Anderson Land Use Planning (JBAP) offers Professional Land Use Planning and Development Entitlement Services throughout the Central Valley and surrounding Northern California area. We provide decisive and creative assistance in navigating through many significant and essential land use development issues in a changing environment. The key to our success is our *service*. We take considerable pride in understanding the assignment and the budget constraints of our clients. We continue to protect the assets of each project through a strong liaison between Client and private or public entity resulting in a *smooth and uninterrupted transition from project feasibility, implementation through to project completion*.

Since 1993, J.B. Anderson Land Use Planning (JBAP) has provided Land Use Planning services in California through a host of private and public clients. JBAP has been employed by the Counties of Stanislaus, San Joaquin, Calaveras, Merced, Madera, Tuolumne, and Mariposa to provide current and advanced planning services. J.B. Anderson Land Use Planning has been, or is currently, the consulting Planning Director for the Cities of Waterford, Livingston, Oakdale, and Mountain House. In addition, JBAP has provided public policy work and contract staffing for the Cities of Ceres, Escalon, Hughson, Lathrop, Los Banos, Manteca, Merced, Patterson, Ripon, Riverbank, Turlock and Dos Palos, and including the counties of Mariposa and San Joaquin. JBAP's reputation is attributed to our *thoroughness, diligence, and professional guidance*.

Our firm supports a highly educated staff with experience in Urban Planning, Design, Public Policy Development and Land Use Entitlements. Additionally, JBAP keeps appraising current and ongoing policies and regulations brought forth by local, county and state entities. Our staff possess a strong ability to negotiate and steer through today's land development projects.

Continuity and knowledge earmark our work for a positive humanitarian approach to growth and development in California's Central Valley Region.

SITE PLANNING

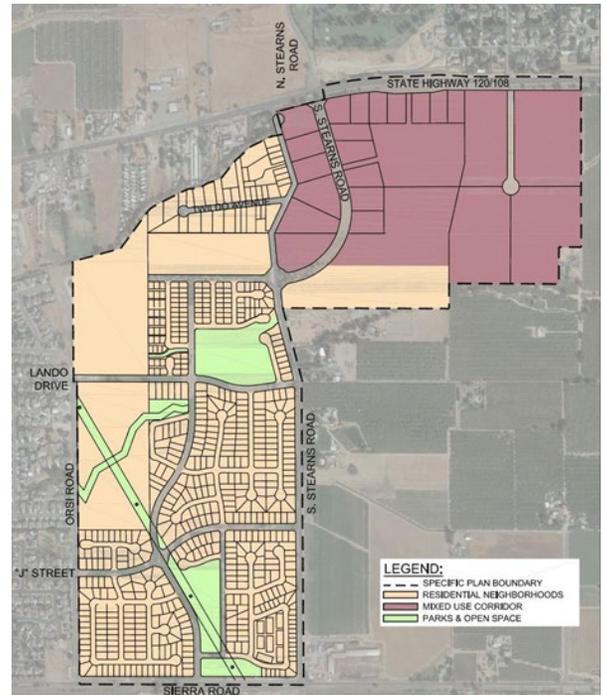

Sierra Pointe Specific Plan, Oakdale, Ca.

❖ *Forward Planning*

We offer advanced land planning and consulting efforts in association with:

- Specific Plans
- Area and Master Plan
- Development Plans

Technical application processes are streamlined by our current knowledge of county/city standards and regulations and our relationships with Public Agency staff. This knowledge ensures that each project achieves its *maximum development potential*.

PUBLIC SECTOR PLANNING

Staff with JBAP provides advanced and current planning services for a number of Cities and Counties in the Central Valley of California including Waterford, Oakdale, Riverbank, Lathrop, Los Banos, Hughson, Merced, Livingston, Mountain House, Manteca, and Dos Palos, as well as Mariposa and San Joaquin Counties. We are committed to understanding the service needs of our clients and provide innovative ideas and insight to solving key project and policy related issues and concerns. We are capable of providing a high degree of competent planning knowledge to any task and are often sought by public agencies to share examples of regulations and conditions to apply to local concerns.

❖ *Contract Staff Planning*

J.B. Anderson Land Use Planning offers assistance with contract Planning Services for various Public Agencies, and guide Agency Staff in the processing and management of current and advanced Planning Projects. We act as an extension of Public Agency Planning Staff providing management for the processing and implementation of various Development Applications including Tentative Maps, General Plan Amendments, Re-Zone Classifications, Use Permits, and Development Plans. Currently, our Firm provides contract Planning Services to the following agencies:

- City of Riverbank;
- City of Waterford;
- City of Los Banos;
- Mariposa County; and
- San Joaquin County.

Within these respective agencies, J.B. Anderson Land Use Planning acts as an extension of City staff while managing and processing various Land Use Entitlement applications.

❖ *Special District Formation*

JBAP has played an integral role in the development of various Landscape and Lighting Districts, Community Facilities Districts, Areas of Benefit and County Service Areas. Each jurisdiction has its own unique way of managing the funding of basic public maintenance obligations. We are an excellent source of knowledge when it comes to special district formation and the proper administration of budgets, annual Engineers reports, reports to the County Assessor's Office and compliance with SB 218.

❖ *Municipal Services Review*

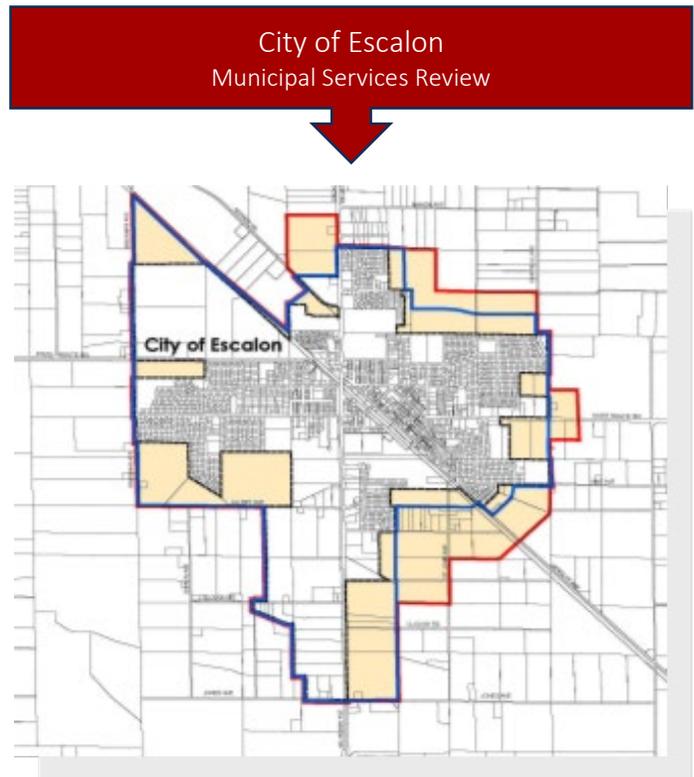

In order to represent a reasonable expansion of services to new areas, a report on services needs to be developed and approved by the Local Agency Formation Commission. We have had the pleasure of providing this service through public disclosure documentation with the Cities of Escalon, Lathrop, and Riverbank.

❖ *Planning and Technical Assistance for Grants*

Over the past 40 years, J.B. Anderson Land Use Planning has applied for, managed and successfully closed over 30 grants, which allowed for such things as downtown beautification, economic development strategies, housing stock inventories, safe routes to school and the like. We are aware of the grant criteria and are capable of clearly articulating opportunities to any public agency.

❖ *CEQA/NEPA Review and Compliance*

Act (CEQA). In addition, our Firm has recently prepared Supplement Environmental Impact Report (SEIR) for projects in the cities of Merced and Oakdale, respectively. Our Staff can assist Public and Private Agencies in the preparation and completion of CEQA documents in accordance with State Law.

PRIVATE SECTOR PLANNING

❖ *Entitlement Processing*

Securing essential project entitlements requires the processing of various applications including Annexation, Rezone, General Plan Amendments, Specific Plans, Tentative and Final Subdivision Maps. This process can be time consuming and difficult to monitor; our firm can minimize delays and act as project manager handling all aspects of the project.

Recent Entitlement Processing projects include Mosssdale Landing West in Lathrop, Waterford and Riverbank.

Mosssdale Landing West, Lathrop

❖ *Due Diligence*

A thorough Due Diligence investigation provides the necessary information to make an educated decision on the feasibility of a project.

These Due Diligence reports may include:

- Due Diligence and Feasibility Studies
- Budgets Analysis Review
- Risk Assessment with Entitlements
- Permitting by Government Agencies
- Project Mitigation Issues
- Timing of Approval
- Risk Assessment

❖ *Improvement and Reimbursement Agreements*

Many times our clients are aware of the reimbursements owed for master improvements installed, but local jurisdictions make the process of identification and tracking extremely difficult. Because we are involved with Due Diligence and Entitlement Processing, we can easily identify the process to ensure complete reimbursement for our clients. J. B. Anderson Land Use Planning takes pride in looking at every detail to minimize our client's efforts in this process. Over the years, we have managed and secured millions of reimbursable dollars for our clients and look forward to putting our experience to work for you.

✧ *Expert Witness Testimony*

Over the past 30 years, J.B. Anderson Land Use Planning has provided expert witness services to a whole host of private and public clients. The cases have involved right-of-way issues for electrical transmission lines, roadways and development matters. Information supplied by Mr. Anderson has provided invaluable knowledge to the legal and appraisal team concerning land use restrictions and probable development risks and timeframes within the Firm, Mr. John B. Anderson has been qualified by court appearance to perform Expert Witness Testimony in Sacramento, Kern, Fresno, San Joaquin and Stanislaus Counties.
